

GARY FOR WILSON COUNTY COMMISSION — DISTRICT 4

Gary E. Foresman, MD • 39 years at the bedside. Ready to serve at the courthouse.

IMPORTANT DATES: General Election: August 6th * Early Voting: July 17th - August 1st

GREAT SCOTT! THESE IDEAS USED TO BE CONSERVATIVE.

Climb into the DeLorean. Check the dashboard.

1910: Teddy Roosevelt busts the trusts and declares property is held “subject to the general right of the community.”

1961: Eisenhower warns the nation against the military-industrial complex.

1970–1974: Nixon signs the EPA, Clean Air Act, Clean Water Act, OSHA, Title IX, Endangered Species Act. Ends the draft. Opens China. Proposes universal health coverage. All Republican policy.

Seventy years of Republican wisdom is now called “democratic socialism.”

*I didn’t change. **Their party did.***

FOUR PRIORITIES FOR DISTRICT 4

1. RIGHT ON CRIME — NOT SOFT, NOT “DEFUND.”

Fund the police AND fund what prevents crime. Wilson County spends \$28 million on the Sheriff and \$21,000 on mental health. Jailing someone costs \$30,000 a year; mentoring a kid costs \$2,500. I’m a doctor — I believe in prevention. Texas proved it: the Republican-led “Right on Crime” reform, backed by Newt Gingrich and Grover Norquist, saved \$3 billion and dropped crime to 60-year lows. If Texas can do it, Wilson County can.

2. CLEAN WATER, WORKING SCHOOLS, COMPETENT GOVERNMENT.

Our Water & Wastewater Authority has piled up TDEC violations. LaGuardo Elementary opened in August 2025 with no permanent sewer — costing taxpayers roughly \$50,000 a month in pump-and-haul fees. The school board was blindsided. This isn’t partisan — it’s a failure of oversight. I’ll bring a physician’s insistence on clean water and a commissioner’s demand for real accountability.

3. A BUDGET YOU CAN READ WITHOUT A LAW DEGREE.

\$78 million in your general fund. Schools asking for nearly \$10 million more next year while federal dollars may disappear. Where your money goes should be in plain English on a public webpage — not buried in a 300-page PDF nobody reads. You paid for it. You should be able to see it.

4. DEVELOPMENT THAT ANSWERS TO THE NEIGHBORHOOD.

Growth is coming to Wilson County. The question is whether it serves the people already here — or just the developers. Tuckers Crossroads has a voice. Wilson County has a voice. Mine will amplify it.

I’m not asking District 4 to go left. I’m asking us to forward toward a better future.
